The Extra Perryfield Post

Perryfields Infant School

An Amazing Night!

Last night, 20 of our fantastic Year 2 children bravely went to sing at the Boswells 'Celebration of music' concert. This involved children from The Boswells school from Year 7 to Year 11. Our children were given the opportunity to sing in front of a huge audience and alongside the older students. It was wonderful to see so many parents and siblings in the audience supporting their children.

I would like to thank Mrs White for making these fantastic school links with Mr Hardaker the Head of music at The Boswells School and bringing the two school communities together for the benefit of the children. In addition, I would like to thank Mrs Bacon, Mrs Etheridge and Miss Newland for giving up their time to accompany the children.

The Boswells staff were extremely impressed with our singing and behaviour and have already invited us back again!

Our children were able to see older students playing in an orchestra, playing electric guitars, drums, singing and dancing. What a super opportunity! The feedback from parents and staff so far has been that our Year 2 children were definitely the highlight of the first half.

Finally I would like to say a big 'thank you' to all the super year 2 children who attended this musical event. The atmosphere was electric, the children's behaviour was outstanding and the concert was out of this world!

I would like to wish each and everyone of you a happy summer holiday.

- 29 Sept—2.30pm Foundation Stage parents/carers to 'meet the teacher'.
- 6 October—FIPS meeting 2pm (details to follow)

Goodbye Year Twos

Well, what can I say. The end of Year 2 assembly was absolutely fabulous. The final song, 'When I Grow Up' is always an emotional song. All of the children have worked extremely hard throughout the year and thoroughly deserve a rest. The children have persevered when things have been tough, been creative in their learning and are happy, sociable and polite. It has been a privilege to see them through the start of their learning journey and I wish them all the very best in the future. Keep reaching for the stars and remember to keep 'helping each other to learn and grow'.
