The Perryfield Post

Don't forget the date

In three weeks time on Friday 8th December it is the day of Perryfields Infant School's Chr.... Bazaar. Everybody is welcome and as you will see from the flyers there will be plenty to do for everyone, but especially the children. There are games to play, answers to guess, cakes to eat and raffles to win. Please come along and bring friends and family too. Every penny of the money raised goes on equipment for the children. This year 'Fips' is trying to raise enough money to contribute towards a new climbing frame to replace the old Adventure Playground. 'Fips' have kindly asked each year group to donate different items for the Bazaar—

Ruby and Topaz classes— lucky dip prizes, biscuits and mince pies.

Sapphire, Emerald, Diamond and Pearl classes— Items for the secrets room.

All Classes—Filled Jam Jars, cuddly toys, unwanted presents or new items you no longer want and any spare wrapping paper.

We also need any goodies for our hampers and raffle prizes such as wine, Chr.... puddings, luxury biscuits, new toys etc. Why not ask at work if they would be happy to donate something for the bazaar!

Please can the children bring these items into school on Friday 1st December and this is also a non-uniform day for the children.

We will need helpers to run the stalls with their children, so if you are able to help us please see the list in the foyer and put your name down for a class.

We will shortly be sending out some raffle tickets. There are lots of wonderful prizes. I've heard the first prize is a two night stay in a London Hotel including breakfast and pool & spa facilities! The second price is £50 CASH! So keep the date free it is going to be a fantastic afternoon 3-5pm.

Competition winner

During the half term break the children were asked to design a label for our very own Perryfields Infants Chr... pudding. Although there weren't as many entrants as the previous year there were some amazing entries and it was difficult to choose an overall winner. However, after much discussion, the overall winner whose design will be printed on all the puddings is Henrietta in Diamond Class.

CONGRATULATIONS HENRIETTA

I look forward to seeing her design on all the delicious Chr... Puddings.

Teddy Lympics

Last week Mrs Bowen, Miss Strathern and eight of the Year 1 children went to the Melbourne Stadium to take part in a variety of sporting activities against other schools. I am pleased to say that they came third out of the eleven schools that afternoon. All the children worked really hard and really enjoyed the sporting activities. Two of our children were praised for various skills.

Roxy had the highest score on the bounce activity and Nathan completed the stepper activity with the best time. A big congratulations to all of the Year 1 team also including Henry B, Minerva, Florence, Ava, Nikhil and Stanley who helped the team to score so well.

The Big Question

As always the children have been extremely busy in school. Our new Core Value for this half term is **HONESTY**. This week is also National Anti-bullying week and we have had class discussions and assemblies on bullying and negative behaviour. We discussed why children and adults might be unkind e.g.

jealous of talents, jealous of friendships, feeling bad about themselves etc. We discussed that bullies may pick on certain things to hurt others about e.g. clothes, disability or a person's looks. In these discussions we agreed that it shouldn't happen and that

if someone is being unkind to anyone we need to **TELL** someone. A known adult or even a friend so the problem can be stopped and resolved. The big question this week is: **How can we stand up to bullies?** Please discuss this further at home.
