## *Science Week*

Last week was British Science Week. Miss Gilson our Science Leader organised a fantastic assembly to get the children's curiosity flowing. This assembly was absolutely fantastic and had the children completely fascinated. I'm sure they told you all about it.

Last Monday we also had several parents/carers and grandparents into school to take part in some science experiments in the hall. Then on Friday Mr and Mrs Yeoman held several interesting talks with the children about space.

Thank you once again for your continued support.

## *The Great Perryfields Bake Off*

A big thank you to all the parents/carers who decided to take part in the Great Perryfields Bake Off. All the entries were fantastic. The effort and detail that went into the cakes puts my own baking skills to shame.

The cakes were judged for both taste and decoration. It was a very close competition but I'm pleased to say that first place went to Mrs Edwards, Noah's mum from Diamond class and second place went to Ms Hoskyn, Tammy's mum from Topaz Class.

FIRST PLACE

*Happy Easter*

The Governing Body must approve the days and on occasions they too come into school to work with the staff on matters pertinent to school life.

**In addition clubs will resume on the following dates—**

Gym Club—Wednesday 13th  
April

Music lessons—Monday 11th  
April

The team at Perryfields Infant School would like to wish everyone a happy and safe Easter break.

Play in the Park is back again and is a series of free two hour multi activity sessions for children aged 3-11 years at various community and parish venues during the Easter & Summer Holiday. These sessions include various sports, games, arts and crafts. For further information please use the website below:

If you have arranged for your child to go home with someone else, perhaps another parent please can this be put in writing. Please can you give the full name of the children involved and also the full name of the parent/adult who will be collecting in order to ensure staff are able to safely handover your child to the correct adult.

Riding Scooters—now that the weather has recently improved it is wonderful to see so many children riding their bikes and scooters to school. Please can I remind parents however that children are **not** allowed to ride their bikes/scooters within the school premises to help prevent accidents.

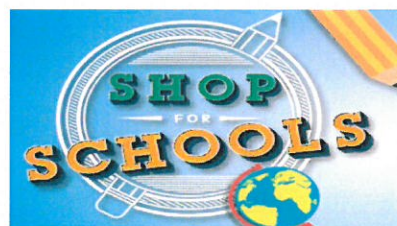

Also, please can the children be careful once outside on the pavement. Lawn Lane is an extremely busy road and the traffic is constant and fast.

Here at Perryfields Infant School the Year 2 children have the opportunity to get a Pen Licence.

The pen will be used to write work for the displays around the school or to go into their topic books.

Perhaps some of the children could practise their handwriting over the Easter break!
