The Perryfield Post

Bounce, Bounce, Boing!

NOT LONG TO WAIT! For the past two years we have held a summer inflatables day. The children thoroughly enjoy these events and they never seem to run out of energy! There is plenty to do for all the family including BBQ food, tombola stalls, raffle and ice-lollies. The feedback from parents and the children was so positive that we are doing it again. On Friday 17th June 3.00-5.30pm we will be having the fun inflatable day again — weather permitting.

Wristbands are now available from the FIPS team every morning after drop off in the office area and also available via book bags. If you are able to help on the actual day on a stall or beforehand to prepare equipment and stalls please sign up on the sheet which is in reception. All help is greatly appreciated. Last year the final amount raised by this event was just over £1700! All monies go towards resources for the children and have previously been spent on buying new laptops, Ipads and books.

We are currently saving money for more reading books and two more interactive whiteboards.

This Friday is also non-uniform day to help encourage the children to bring in donations for the 'anything new' stall. This could be new sports equipment, new books, stationary, biscuits, sweets etc.

So please SAVE THE DATE and invite some friends. I look forward to seeing you on Friday.

Perry fields Infant School

Volume 2 Issue 16

13th June 2016

Dates for your diary...

- 20 July—Year 2 leavers play at 9.30am (Diamond Class parents)
- 22 July—Last Day of Term
- 5 Sept—Yr 1 & 2 children start back at school.

The Big Question

Our school Core Value this half term is 'Individuality' and we have all been thinking about how we contribute to the school, our families and the world. The BIG QUESTION this week is—Is it everyone's responsibility to

preserve the earth?

Today we looked at some spectacular sights that we can see around the world and listened to the song 'What a Wonderful World' by Louis Armstrong. Everyone was in agreement that we all have a responsibility

to look after our world. This week we will continue to think of different ways in which we already do this and new ways in which we could preserve our planet.

Mini Olympics

On Wednesday 10th June the Year 2 children went to the Melbourne Stadium and took part in the Chelmsford Infant Schools Mini-Olympics. This was a fun morning of sporting activities and this year we represented the country of Australia. The sun was shining and everyone really enjoyed the sporting activities on offer. All the Year 2 children took part and worked hard to do their best. I am very proud to say that Perryfields Infants School came 2nd on the day and took home three of the six medals available! A huge congratulations to Nancy who won the gold medal for the girls, Harley who won the gold medal for the boys and Naman who also

won the bronze medal for the boys. All the teachers and parents were exceptionally proud of the children who displayed excellent sportsmanship, determination in the hot weather and superb behaviour.

Whole School Trip

What an amazing time we all had last Friday on our whole school trip to Barleylands Farm.

The children had the opportunity to get very close to the animals, make their own bread from the wheat grown on the farm, plant seeds, visit a big poly tunnel, have a tractor ride and even see racing chickens and sheep!

We were very fortunate with the weather and had a whole school picnic. I would like to thank all of the parent helpers who came, without you these trips wouldn't be possible. As usual the children were extremely well behaved and the comments from the children, parents and staff were extremely positive.

I am looking forward to seeing the fantastic work the children produce from this exciting trip.
