

Friday's Literacy – 'Did You Know' facts

Can you write **5 informative facts** that you have learnt from the PowerPoint today?

Remember to start each fact with the sentence starter 'Did you know...' and try and add some exciting adjectives to your facts.

Don't forget to use a **capital letter** at the start and a **question mark** at the end of each of your sentences.

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
