‘Supporting children with Special Educational Needs’

- The role of the school Senco (Special Educational Needs Co-ordinator).
- Changes to the SEN Code of Practice.
- Early Years activities to support the very youngest children with additional needs.
- How parents can support their children with special educational needs.

Would you like to network with other parents with children with additional needs, or do you have some advice you could offer to others?

Then please come along to the family room with
Mrs Barnett (Senco) on

Wednesday 1st November
9.15am – 10.00am

We look forward to welcoming you.
(You are welcome to bring your younger children)
