

FRIENDS IN PERRYFIELDS INFANT SCHOOL

19th October 2017

Dear Parents / Carers

Oh yes it is back! Our very successful Christmas Pudding Offer!

We've found The Ultimate Plum Pudding - one of the finest Christmas puddings you can buy. It has been endorsed by the BBC Good Food Magazine and by Chef magazine, as being as good as the best home-made and has won a food 'Oscar' – a gold award at the Great Taste Awards.

The pudding is made by a small craft manufacturer in Cumbria and it's absolutely gorgeous. All the vine fruits are soaked overnight in lots of brandy and dry sherry. Fresh breadcrumbs and freshly grated carrot help give the pudding a lighter texture. Ingredients are top quality and much more varied than usual – almonds, walnuts, stem ginger, apricots, cherries as well as the best, juicily alcoholic, raisins and sultanas. We asked why there are no currants and were told – none of us like currants! It's not steamed until it's black, caramelised and bitter – it's light, sweet and aromatic and you can taste every ingredient. Most people have no idea that Christmas pudding can be this good and lots of people enjoy it who 'don't like Christmas pudding'. The Ultimate Plum Pudding is not available in supermarkets (although the company is now selling in Harrods!) but it is available through us.

We are running our own competition for the children to design our own unique Perryfields Infant School label which will proudly sit on the top of every pudding ordered.

If you would like your child to enter the competition please complete the attached form and send back to school before Fri 3rd November 2017.

Each order for a 1lb pudding (serves 4) costs £5.99 and raises at least £2.00 for us. (We get bigger discounts the more you order!). A 2lb (serves 8) costs £10.99 and raises at least £3.50. Our ordering direct from the manufacturer allows there to be a good profit for us within a price which is competitive with the premium retail puddings.

It's a really great pudding – a true highlight for the meal of the year. We're proud to offer it and know that you'll love it. Your family and friends will love it (including the vegetarians). It's so easy to order from us AND it raises money for Our School. It has to be worthwhile.

Could we also tempt you to a jar of the Ultimate Brandy Butter? Maximum brandy – anymore and it splits! Good unsalted butter a velvety texture, with just a little crunch. Fantastic but problematic – it disappears straight from the jar! £2.95 per 190g jar.

If you'd like to order a pudding, or brandy butter (they make great gifts!) please fill in the order form and bring into school with payment in a sealed and clearly named envelope by Friday 3rd November 2017.

Please make cheques payable to "FIPS". We will issue a receipt.

Pudding deliveries will be either w/c 4th or 11th December – exact date TBC.

Thank you for your support.

OUR SUPERB FUNDRAISING PUDDINGS

We are delighted to be offering award winning puddings from the Ultimate Plum Pudding Company specially labelled just for us. This small (but fully accredited) Cumbrian company has been making puddings for over 20 years. They make puddings for some very prestigious retailers, some very fine hotels, and for many fundraisers including us. These are absolutely top of the range products which you won't find in the supermarkets. They come nicely wrapped in shiny foil with our special label on. We highly recommend that you give yourself a treat, use them as Christmas gifts and support us in the process. Deliciously good sense - calories don't count in a good cause!

The Ultimate Plum Pudding. This exceptionally light and delicious Christmas pudding is the company's flagship product. Winner of a gold great taste award, it's enjoyed by many who 'don't like Christmas pudding' as well, of course, as those who do. According to one fan it's 'the first Christmas pudding we've ever had where none got thrown away' Spectacular! Give yourself the best this Christmas. 454g pudding serves 4. In 454g size only, **2 special versions** are now available - *alcohol free* (made with fruit juices instead of alcohol with the spices rebalanced so it's still really christmassy) and a version with *no gluten* containing ingredients which the whole family can share as it tastes just like the regular pudding.

Triple Chocolate Pudding. The real deal. Not just cocoa - proper chocolate! It's made with melted dark belgian chocolate, fine french cocoa powder, chocolate chips, chocolate liqueur and a good slosh of brandy. Like all these puddings it's made for adults. Just needs cream or ice cream.

Sticky Toffee Pudding. The Nation's favourite. Not over sweet. Lovely light sponge with that gorgeous gooey outside where the sauce has soaked in. You'll definitely be licking the plate. Keep one in the cupboard for those 'must have' moments.

Triple Ginger pudding. Another gold award winner. This time our buttery ginger sponge is packed with candied stem ginger pieces and laced with warming ginger wine. Try it even if you aren't a ginger enthusiast - there's no harshness, just delight.

Luscious Lemon Pudding. A lovely citrus wow, from zingy fresh zest and juice, softened with the buttery roundness of lemon curd. A proper English pudding - intensely delicious and satisfying.

Ultimate Brandy Butter. A top quality Brandy Butter made to the 'Westmorland' method. Melted sweet cream unsalted butter is streamed slowly into a mixture of sugars and lashings of brandy. Silky smooth with a touch of crunch. A sprinkle of nutmeg and a dash of fresh lemon lifts it from the ordinary. Jars are as shown - not personalised for us.

The Ultimate Rum Butter. A Cumbrian tradition. Rum was imported through the busy port of Whitehaven. We increase the dark sugar and the spice to make a more robust butter perfect for scones and mince pies. Jars are as shown - not personalised for us.

Luxury Chocolate Sauce. Packed with real Belgian melted chocolate and boosted with fine French full flavoured cocoa powder. Trickle it over a Triple Chocolate pudding to make it even more chocolatey, or spoon it onto ice cream, pancakes, or anything else you fancy.

Sticky Toffee Sauce. For those who can't get enough sauce! It's spectacularly creamy and not too sweet, perfect for decorating cakes when cold, or heat it and drizzle over just about anything for a sublime desert.

All these products require cool and dry storage and keep for months. They don't need refrigeration but please don't store them in the cupboard by the oven. All puddings can be microwaved in about one minute. Overheating will dry the puddings - please be cautious if your microwave is fierce. Plum puddings are wrapped in red film, sponges in silver.
