Headteacher: Mrs Amanda Reid

Dear Parent/Carer

Re: **Forest School Sessions**

I hope that your children have been telling you all about the new skills they have learnt during their Forest School sessions. Please do go over to the Whispering Wood and have a look at the photographs on display. Mrs Page will be happy to explain any of the activities to you.

You may have heard that the children are whittling sticks in preparation for toasting marshmallows over the fire. In order to ensure the children get the most out of this session and there is sufficient time to engage in the activities as well as safely have a fire, we are intending to take one group out for a longer session on the 8th November and the other group will have their longer session on the 15th November. The date of your child's longer session is indicated on the top of this letter.

To ensure that all the children in Emerald class will have received 6 sessions, Mrs Page will return for the final Forest School on the 22nd November. Please remember your child's outdoor clothing as the weather deteriorates!

Please would you complete and return the slip below to confirm your child is allowed to have a marshmallow and if he/she requires vegetarian.

Yours sincerely

Amanda Reid
Headteacher

Forest Schools

Child's Name: Class:

☐ My child may have a marshmallow at their Forest School session

Please tick the box if vegetarian is required ☐
