Keep caring!*

The Perryfields Post

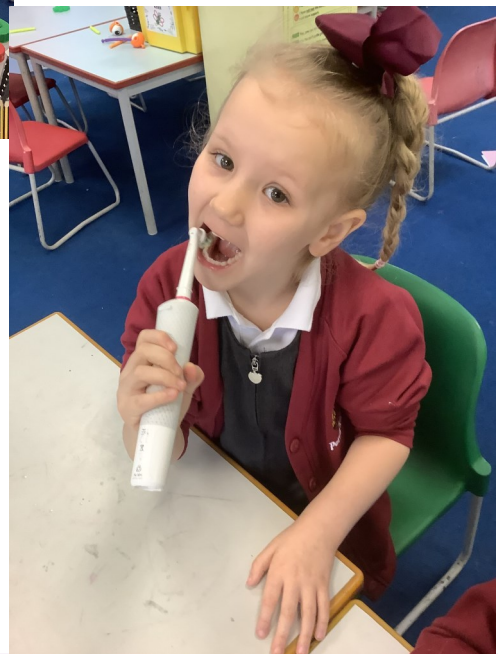

Dear Parents/Carers

It has been a slightly quieter week this week, however the children have been extremely busy with their learning. During assembly time we have been looking at the current news, Safer Internet Day and the Chinese New Year. The KS1 children were extremely quick to remember our key rules of keeping safe when on line.

- I keep personal information and passwords safe
- I only use a computer or go online when a grown up is nearby
- I am kind to other people online
- Friends are real people that we know, not people that we have never met
- I tell a grown up if something online upsets me or makes me feel uncomfortable.

EYFS—Healthy Teeth

As part of the EYFS Curriculum the EYFS children have been learning about teeth hygiene. All of the EYFS children brought in their own toothbrushes from home and showed their friends and teachers how they cleaned their teeth properly.

Perryfields Infant School

Volume 10 Issue 17
9th February 2024

Day (details to follow)
- 15th to 20th Mar —
Travelling Book Fair
- 28th Mar—Last day
1:15pm home time (no
Peardrops)

Maths Workshop

It was lovely to see so many parents attending the Maths workshop on Tuesday. The feedback we have had so far has been brilliant. I think the children who modelled parts of the learning were fantastic. A big thank you to Mrs Champion, our maths lead for organising, preparing and delivering the workshop. If you would like to access the information to further support your children at home, the slides and resources can be found on our school website under "Parent Information" in the section on "Workshops, guidance notes and videos."

Reminders

HOLIDAYS—Please can I remind parents that any holidays during term time will be unauthorised. During the academic year, but especially during the summer term the children have several end of curriculum assessments and national phonics tests. If children have time off school, miss learning or are away during these assessments this will have a negative impact on their progress and attainment. The staff are already supporting specific children in additional support groups and interventions and if they are not in school this would be a lost learning opportunity, especially if another pupils could have attended instead.

PLAYGROUND—Thank you to everyone for standing behind the boat line when collecting the children at the end of the day. Staff have found it much easier to identify adults, especially when there are last minute collection changes.

World Book Day!

This year we are delighted to announce that we have booked local author Hollie Hughes to join us at Perryfields on Thursday 7th March. Hollie will be leading workshops with each year group and the sessions will focus on the book titles below.

EYFS – You Can Do It Clover!

Year 1 – The Girl and the Dinosaur

Year 2 – The Boy Who Brought the Snow.

These titles will be available to pre-order subject to availability on scpoay and in partnership with the Chicken and Frog Bookshop and will be signed personally on the day by Hollie – the deadline for payment is 14th February.

Have a good weekend

Amanda Reid

Dates continued.....
