Wednesday Numeracy-using a pictogram to answer and write own questions.

Class 2's favourite $T$ shirt colours.

## Key

$=1$ T-shirt

1. What colour is the most popular in class 2?
2. What colour is the least popular?
3. How many people prefer a blue T shirt compared to a red T shirt?
4. How many children are in class 2?
5. How many children liked either purple or red $T$ shirts?

Minibeast collecting
