

Dear Parents and Carers

AUTHOR VISIT - Benji Davies

We are delighted to announce that Just Imagine will be hosting an event at Perryfields Infant School with children's author and illustrator Benji Davies on **Wednesday 9th May 2018**.

Benji is the author of the much loved 'Storm Whale' picture book, which won the Oscar's First Book Prize in 2014 and the Sainsbury's Book of the Year in 2015. Benji studied animation at University and has since worked on many illustration and animation projects.

Benji will be introducing the children to his new book 'The Grotlyn', a beautifully illustrated rhyming tale about things that go bump in the night.

Described as a 'divinely illustrated and expertly plotted picture book that is thrilling and fun, the first read through is spooky and mysterious and holds readers in complete suspense as they wonder what on earth is the Grotlyn? Where is it going? And what is it going to do next?'....

Benji will be signing copies of his books on the day and we are offering the opportunity to buy them at school from Just Imagine at a special pre-order price. Pre-ordering will also guarantee that a book will be available for your child on the day of the visit.

To secure the reduced rate, please return the pre-order slip to school by **Thursday 3rd May**.

Yours sincerely

Amanda Reid
Headteacher
