Hot School Dinners
New Winter Menu 2019

Attached please find a copy of the hot school dinners new winter menu starting from Monday 4th November 2019 on Week 1.

Some dishes have changed or possibly changed which days they are on, so we ask that you carefully check the new menu against your current choices that you previously submitted. This is especially important for those children with specific dietary requirements.

Please note that we start back at school after half term on Week 1 of the new menu but it would have been week 3 on the previous menu so please do check carefully.

Should any changes need to be made please complete a new order form or standing order and return to school **any time up to 9am on Wednesday 23rd October 2019 at the very latest** for changes to take effect from Monday 4th November 2019. No late orders will be accepted.

PLEASE NOTE: If there are no changes you would like to make to your child's meal choices, you simply do nothing and your child will continue to receive hot school dinners in the same way as they do now.

- Please remember hot meal orders or amendments must be made by 9am on the Wednesday before the week you would like your request to take effect.
- If your child has hot school meals ordered, please encourage them to have their meal instead of bringing a packed lunch, at least until you can change your order. This really will save food being wasted unnecessarily.

If you have any queries please telephone or call into the office.

Many thanks for your co-operation.
