2nd October 2017

Dear Parents and Carers

Harvest Celebration Assembly

On Friday 6th October the children will be taking part in our Harvest Celebration Assembly. We would appreciate contributions of non-perishable items of food which the children can bring in on the morning. All donations will be going to Chelmsford Food Bank, Harvest appeal. Please see overleaf for ideas of suitable donations.

This is not a performance as such, but an assembly in which the children take part.

In previous years the hall has become absolutely packed, so much so, that it has become a health and safety issue. If there were an incident of some kind, it would be very difficult to evacuate everyone safely. So on this occasion the children will be performing twice on the same day, except for the younger foundation stage children who will only be in the first harvest assembly.

The invitation is:

9:30 a.m. for parents and carers of children in Foundation (Ruby and Topaz) and Sapphire class in Year 1.

11 a.m. for parents and carers of children in Emerald class in Year 1 and children in Year 2 (Diamond and Pearl classes).

I would ask that only two people from your child's family attend and please only come once – even if you have children in different parts of the school. Pre-school children are welcome but should they start to cry please remove them quietly from the hall so as not to spoil the occasion for others. Buggies or prams cannot be accommodated.

I am sure you will enjoy our assembly and thank you for your support.

Yours sincerely

Mrs Amanda Reid
Headteacher
