Listen and think a lot.  
Be your best!'*

# *The Perryfield Post*

Dear Parents/Carers

Everyone has been enjoying the fantastic weather and trying to get outside as much as possible. All PE lessons have been outside, the field and the climbing frames are being used and the EYFS children have enjoyed using the front garden with the bikes, scooters and musical instruments.

The children have been fascinated with the baby chicks, watching them grow and helping to feed them. Today they are off to a free range farm where we know they will be well looked after.

It was great to see so many parent/carers turn up last Friday to my School Assessment Workshop where there was the opportunity to look at some of the previous Year 2 SATS papers and previous Year 1 Phonics Check papers. As promised the PowerPoint from this has been saved onto the school website under the 'Parent Information' tab, 'Helping your child workshops' section. Please let us know if there are any other support workshops you would find useful.

## *A Few Reminders*

### **TEACHER CLUBS**

Next Thursday is the last Thursday teacher clubs. I hope the KS1 children who took part with these clubs enjoyed them and gave them a flavour of something different. We are aiming to offer some additional Tuesday teacher clubs to allow KS1 children to try something different (club letter to follow shortly).

### **HAPPY CIRCUS (16th June)**

Don't forget to book your Happy Circus tickets via the FIPS PTA Events on-line system.

### **ATTENDANCE & HOLIDAYS**

As the weather improves, and our thoughts turn to booking time away (now that government restrictions have relaxed), please can I remind everyone that full time attendance is required and that any holidays should not be booked or taken during school time.

I hope you have a lovely weekend,

Amanda Reid,

Headteacher.

### **Perryfields Infant School**

Volume 8 Issue 25

25th March 2022
