The Perryfields Post

Dear Parents and Carers

The summer sun seems to have arrived and the children and staff are enjoying the warmer weather.

Please can all children bring a named sun hat and a named water bottle into school each day. Please put sun cream on your child before coming to school (do not bring into school) as we are not allowed to put this on for the children (due to allergies please do not bring any into school).

Open Afternoon

Another opportunity to look at your children's fabulous work together. Tuesday 21st May 3.05pm—3:45pm. Once all of the children have been safely seen out please come back into the class and look at the work in their trays.

Parent Questionnaire

Thank you to everyone who has completed the parent survey so far. It has been wonderful to read so many lovely comments and there were some good suggestions that we will take forward. As always, we are looking for ways in which we can improve the school and thank you for contributing to this. The survey will be open for another week if you would like to complete it. Once analysed we will feedback key points and actions. Thank you for your continued support.

The Big Question

Our Core Value this half term is SELF-BELIEF. We started the summer term thinking about our self and being body aware and looking after ourselves. We have started to look at ways we can love ourselves in a positive way and how special we are. The Big Question to discuss further at home is **'We are all special. What qualities do I have that make me special? Discuss.'**

National Sports Week 17th—21st June

After half term the school will be celebrating National Sports Week. We have a busy sporting week and further information will soon be shared once finalised. The children will have ball skills PE, sports day, balance bikes (EYFS) and swimming (KS1).

In line with our 'Path to Paris' Olympics whole school topic we will also be having a series of sporting events/equipment coming to Perryfields over the half term. This will include Horse Racing, Giant Speed stackers, Boccia and Curling, Tri Gold and Archery. For these events children will be asked to wear suitable sports clothing or PE kits (further details to follow nearer the time).

Sports Day

An afternoon of sporting fun will be held on **Tuesday 18th June at 1:30pm.** All the children take part in the races—the Year 2s and Boswells sports students helping the younger ones. The children will be in teams with brothers and sisters together. Parents, grandparents and carers are welcome to come and support their child and cheer them on. The emphasis is on fun with the children using all the skills they have developed during the year. As long as the sun shines it is always a lovely afternoon.

At the end of the main races there is an optional running race around the track. Again, children who do not wish to take part in this event can happily watch and cheer on their friends.

Children will need their PE kits, so it may be a good idea to check that their trainers still fit! (More information to follow)

From parent feedback, we have set a reserve sports day of Thursday 27th June at 1:30pm.

Save the Date—7th June
