The Perryfields Post

Dear Parents and Carers,

Well it has been another busy week and I am pleased to see the start of the after school provision clubs. Dance had already started for the Year 2 children and Gym has started this week with the Year 1 children and we are hoping to have football re-start in the not too distance future.

Parents evening this week appears to have gone smoothly and we hope you found the earlier report cards useful as a discussion point. Of course, it isn't the same as coming into school for face-to-face meetings and to look at the children's wonderful work. Hopefully by the end of the term restrictions may be lifted to allow more people into school.

Please can I remind parents to oversee their child's homework each week to help them reinforce the learning that has taken place in class. Also, can I reiterate how important daily regular reading at home is. Research has shown that regular reading from a young age makes a huge difference to children's overall academic ability as they get older.

Important

Please can I remind everyone that no-one is allowed to use or go on any of the school equipment, bikes, climbing frames etc before or after school. Please can I ask all parents and grandparents to keep their children next to them when coming into or leaving the school. Our insurance will not cover anyone. The children do know these rules but if you could reinforce this with anyone who does the school run and that this also includes pre-school children.
