# *The Perryfields Post*

Dear Parents and Carers,

Another busy week at Perryfields Infant School and I know that we have some very tired children. The children have been working hard and I'm pleased to say that several children received their special spelling badges at today's celebration assembly. Keep working hard with your spellings at home.

## *Year 1 Castle Designing & Building Day*

The Year 1 children had a fantastic day on Tuesday transforming a huge pile of recycling into some brilliant castles. They used their history, DT and teamwork skills.

## Reading Champions

Well there was definitely a battle at the very top of the leader board to see which class had read more at home over the last half term. All classes managed to get over 1000 points which is a great achievement but the ultimate winners this half term is **TOPAZ CLASS** with 1,291 points. CONGRATULATIONS!

The children have been actively reading at home and encouraging parents to write in their reading diaries. The winners have received a large suitcase full of fantastic books, annuals, comics etc and the children have voted on which special treat they would like to have as the winners. The children have asked to watch a movie with popcorn and an extended playtime with all the additional equipment.

As previously mentioned, children's ability to read in the younger years has a positive correlation to them doing well academically as they get older.

The reading leadership board has now been put back to zero and we will continue to count the reading points each week to see which class wins over the next half term and gets a special treat. Please remember to read at home as much as possible over half term and when we return to school as every reading opportunity counts to these reading points.

## After Half Term

After half term there are lots of wonderful things for the children to look forward to. In addition to creative lessons and learning the children will be having internal sports coaches, taking part in national sports week, sports day, move around day where they find out who their teachers will be next year, Race for Life and KS1 children will be having swimming lessons and a movie night. All being well parents will be able to come to our open afternoons and share work. We look forward to welcoming everyone back on Tuesday 8th June.

The weather forecast is looking promising for the half term and we hope you all have a lovely and safe break.

Best wishes, Amanda Reid.
