The Perryfields Post

Dear Parents and Carers

It was wonderful to see so many parents, carers, grandparents and friends coming into school this week during our Open Afternoon. The children were extremely excited to show their excellent work off and it was lovely to speak to so many of you during this time. I hope you found this time informative and enjoyable.

The children's work will eventually come home but there is another opportunity to see the children's work at our Open Afternoon/Evening (Thursday 11th July 3:15—5:00pm). This is when both the infant and junior schools are open for everyone to visit and an ideal opportunity for everyone but especially the current Year 2s and their grown ups to have an extra look at their new school.

The New Library

The School Council and the FIPS team (parents and carers of Perryfields Infant School) have been working hard to raise money to create a fantastic new library space where the children can come, relax and look at books. The children were excited with the new flooring and are loving the new sofas and we are currently trying to source a suitable rug to allow more children to relax with a good book and their friends. A big thank you to everyone who has contributed to any of the FIPS events either with giving their time or buying tickets to allow the school to purchase such high quality resources for the children to use. A huge thank you for the FIPS central team who are always busy behind the scenes organising these events and who without them these fun events couldn't go ahead. We are currently raising money for new technology (computers/ipads) and a new Gazebo for the EYFS playground.

The Big Question

We have continued to think of our Core Value SELF-BELIEF. The children have been thinking about what they would like to be when they grow up, what are their aspirations. We have been thinking about some famous people who have overcome a lack of confidence, kept their self-belief, positive mindsets and became successful for example, J.K. Rowling, Jim Carrey, Nelson Mandela etc.

The Big Question to discuss further at home is '**Have there been times when you or someone you know has lacked confidence in themselves and how did they overcome this? Discuss.**

Save the Date—7th June

As previously mentioned, all of the money raised from the FIPS events goes towards purchasing things for the children at the school, including the Inflatables Day. **Friday 7th June 3:00pm—5:30pm. TICKETS ARE NOW AVAILABLE ON PTA EVENTS.** If you are able to help on the day or to help set up some stalls beforehand or tidy away please let the FIPS team know on

friendsofperryfieldinfants@hotmail.com or contact the school office.

Reminders

After half term the KS1 pupils will start their swimming lessons at The Boswell School (Friday 7th July). Please remember to bring their named swimming kits. It will also be our summer inflatables day, which the children really enjoy and tickets are still available on PTA events (Friday 7th July). The EYFS children will be going on their first school trip to "Call of the Wild" on 11th June—lots of exciting things to look forward to.

Have an excellent half term. Please remember that Monday the 3rd June is a staff training day so we look forward to seeing all the children back in school on **Tuesday 4th June.**

Best wishes,
Amanda Reid
