Dear Parents and Carers

Water Bottles

We would very much appreciate it if you could ensure that your child has a drink container filled with **water only** as it is school policy to allow the children to drink water at any time during the day. This helps to rehydrate their brains. Children should not bring squash, juice or flavoured water into school in their water bottle. If you wish them to bring juice for lunchtime, this will have to be in a separate named container/carton. Water and milk are both available at lunchtimes.

Please can all water bottles be clearly named as it can be confusing for the children if water bottles look similar and we want to discourage the spread of germs by accidentally drinking from another child's water bottle. All water bottles should be transparent.

Water bottles can be purchased from school reception for £2. The bottles can be brought home each day for cleaning and refilling with water, then brought back into school the next day.

Please help us to do the best for your child by supporting school in this way.

Thank you for your co-operation.

Yours sincerely

Mrs Amanda Reid
