

# Online Safety

---

This is intended to support parent/carers to teach their child about how to stay safe when using the Internet.

We are receiving regular updates from the DfE and our Local Authority and will update the most pertinent information regarding online safety as regularly as possible.

The latest DfE guidance includes some guidance on keeping your children safe online.

There is a lot of support available to keep your child safe online. Below are some useful links to help parents and carers:

- [Thinkyouknow](#) (advice from the National Crime Agency to stay safe online)
- [Internet matters](#) (support for parents and carers to keep their children safe online)
- [Parent info](#) (support for parents and carers to keep their children safe online)
- [LGfL](#) (support for parents and carers to keep their children safe online)
- [Net-aware](#) (support for parents and careers from the NSPCC)

We want our children to be safer when playing games online, and to know what to do if they are ever scared or unhappy about something they see online.

Watch the Hectors World Adventures and even learn the song!
