Monday – Practical Dividing Activity

You could use cubes, marbles, grapes, raisons or any other small object you have at home ☺

Remember the **first number** is **how many** you are sharing and the **second number** tells us how many we are **sharing between**.

$10 \div 2 =$

$12 \div 3 =$

$15 \div 5 =$

$18 \div 2 =$

$20 \div 4 =$

$15 \div 3 =$

$27 \div 3 =$

$25 \div 5 =$

Try the extension challenge on the challenges sheet if you would like an extra challenge!
