The Perryfield Post

Dear Parents/Carers

What a busy and productive first week back we have all had. The whole school topic 'Jubilee' has started well and the children are excited about all the engaging learning activities we have planned.

The children have been learning about Ramadan and Eid and several children have brought in their Eid homework. It was lovely to see so many fantastic and original decorations hanging up around the school. These will be judged and the winners will be announced in an assembly next week. Well done everyone.

The Big Questions

This half term our Core Value across the School is **SELF-BELIEF**.

We will be looking at what Self-belief means, believing in miracles and yourself, being body aware, safeguarding, our special qualities, growing up and believing in ourselves, coping with failures and positive mindsets.

have been curious about ourselves, respecting ourselves and others. We are being curious about the world around us and what is happening around the world near and far. The Big Question this week is, What are you curious about? What do you want to know more about? We started to discuss this in our assembly on Monday. Please continue to discuss this at home.

LIBRARY HELP—We are searching for someone who would be able to keep our school library in the hall organised and tidy. If this is something you are interested in or would like to find out more about what it entails then please pop in to speak with me.

COMMUNITY GOVERNORS—Would you or someone you know like to help us continue to strive for excellence and raise standards at our school? Would you like to join our fantastic team of governors? Are you free some Monday evenings and have the ability to visit the school, speak to staff and children? If so, or if you'd like to know more about the role, please contact the school office or pop in to speak with me.
