The Perryfield Post

Dear Parents/Carers

Some of you may be aware that the end of year assessments and reports are based on the children's work in school, ongoing assessment, quizzes and their teacher assessments. The Year 1 children are expected to complete the Government's Phonics Check, which took place in June and the Year 2 children are expected to sit the Year 2 SATS (Standard Assessment Tests), which took place in May. All of the children have worked exceptionally well this year with lots of additional catch up support, interventions and work. They have all made great progress and I know you will be proud of them all when you receive their end of year reports next week. Please congratulate your children as we are super impressed with their personal development, resilience and maturity.

Reminders & Information

MOVE AROUND DAY/OPEN EVENING—14TH JULY — This is when the children find out who their next teacher will be and spend the morning with them in their new classes. The Year 2 children also go over to the junior school to spend the morning in their new classes—very exciting! Both schools are then open after school until 5pm for parents, children, grandparents, new parents to visit the schools, look at displays/work and see their new teachers.

FIPS RAFFLE—12TH JULY— Please can I remind everyone to return their raffles envelopes to school by Tuesday 12th July. The cost is £2 a strip. Remember to put a name and class on the back of each individual tickets to help us identify the potential winner. Additional tickets are available from the office if people need/want them. There are some fantastic prizes which have been donated by local businesses, including high value family portrait vouchers, Everyman Cinema passes, Mace Place vouchers and £40 Shwings chicken vouchers etc. The raffle will be drawn at the open evening on the 14th July.

PARKING—Just a reminder linked to my earlier PING about parking considerably in the local area and encouraging everyone to walk to school.

NEW CHILDREN VISITING—It has been wonderful to meet our new reception children who will be starting in the Reception classes. They all seemed really confident and had a fantastic time playing in the Early Years classrooms.

Have a super weekend.

Best wishes,

Amanda Reid
