

Thursday 11th February - Can I use adventurous vocabulary?

What is your poem going to be about?
Think about which sea creature you
could describe. Draw a picture of your
sea creature.

Now think of adjectives to describe
your sea creature and the habitat it
lives in. What does it look like? What
is the sea or ocean floor like?

Now think of verbs to describe how
your creature moves.

Now think of pairs of rhyming words
that you could use.
