The Perryfields Post

Thank you

I just wanted to say a big 'thank you' for the contributions that the children brought in for our Harvest celebrations. The Chelmsford Food Bank collected your generous donations on Friday. I am sure they will be gratefully received by some Chelmsford families. The children had worked hard to learn their lines and the words to the songs. It all bodes well for the Chr..... Production!

During the course of the year each class will be having a class assembly. This is an opportunity for you to come into school to see some of the things your child has been working on.

As you can imagine, it is quite nerve wracking for the children to stand up and say their particular line, but it is all part of being able to speak in a public arena. I know you will give your child the support and encouragement they need so that they speak clearly and as loud as possible.

This is the only time they can use their 'playground' voices inside.

Dates for the various class assemblies are as follows:

Pearl class—Friday 8th November at 9.15am

Diamond class—Friday 22nd November at 9.15am

Emerald class—Friday 14th February 2019 at 9.15am

Sapphire class—Friday 27th March 2019 at 9.15am

Ruby class—Friday 15th May 2019 at 9.15am

Macmillan Newsflash!

A week ago we held the biggest coffee morning in the world in aid of Macmillan! It was wonderful to see so many parents, carers, grandparents and younger siblings here to help raise money for this fantastic charity. There were some absolutely glorious cakes and I'm sure everyone enjoyed them! We raised a mind blowing:

£881! (The highest we've ever raised)

Thank you so much for your support and a huge 'thank you' to all our wonderful parents who made the raffle prize cakes.

The Big Question

Our Core Value for this half term is TEAMWORK.

The children have been working in teams in PE and drama and the Foundation Stage have been working together in Bootcamp sessions. We have been thinking about what qualities are needed for teamwork.

The Big Question this week is — **Can you list 3 of your qualities that you could use as part of a team?** Please discuss this further at home.
