# *The Perryfields Post*

Dear Parents and Carers,

It has been another busy week at Perryfields Infant School. Our whole school topic, 'Here we are', has really grasped the children's imagination. The Foundation Stage children have been busy making Modroc 3D planets, Year 1 have started their non-fiction books for water and the Year 2 children were making and eating health fruit kebabs.

The loud music from the hall was a fantastic sound as we welcomed back an external coach with Rachel teaching dance to the Foundation Stage children. So much fun was being had and I was impressed by the excellent learning behaviours and quality of work being produced across the school.

## *Quick Reminders*

Thank you to everyone who has been remembering their staggered start times, wearing their face masks, continuing to social distance and coming into school on time. Together we can beat Covid!

Please can I remind everyone to not contact teachers via DB Primary and to make contact via the school office on [admin@perryfields-inf.essex.sch.uk](mailto:admin@perryfields-inf.essex.sch.uk) or 01245 268714 as during the week teachers do not regularly access DB Primary and any communication can be missed.

Parents Evenings—parents evening report cards should be coming home today. If you haven't already booked a parents evening slot time for this Tuesday 27th or Thursday 29th April then please go online and book a time. The teachers would like to speak to everyone to discuss their child's progress and next steps to support their learning. If you have any difficulty booking a time then please call the office and the team will be happy to book it for you.
