

# Foundation Stage

## Weekly Sheet

Date: Friday 13<sup>th</sup> March 2020

Our theme for this term is...

Once upon a Time

Our new book focus will be  
Jack and The Beanstalk

Busy Beans!

Next week we will start to plant our very own beans. We will be looking at the conditions in which living things need to grow. As they grow we will enjoy observing and measuring them.

Practical maths at home...

Here are some ideas of practical maths activities that can be done at home...

- Looking at and recognising coins
- Reading numbers on house doors and number plates
- Estimating small amounts (this could be anything - fruit, socks, toys etc)

Notices

Eggcellent Homework!

A huge thank you for the parental support with making the egg carriers! We were very impressed with the creativity and materials used!

The children have thoroughly enjoyed testing their egg carriers!

Over the next few weeks we will continue our science focus and will also be looking at the weather! We plan on making our own windsocks so any spare toilet or kitchen roll tubes would be greatly appreciated!
