# **Perryfields Infant School**

**‘Open a book.....’**

**Parent Workshop**

**Early Reading Skills**

October 2014

7:00pm

- 36/195 parents/carers attended the workshop (18%)
- Of those 36 parents/carers 19 people answered the questionnaire (53%)
- 11/19 parents/carers said that they would like to see similar events in the future (58%)
- 11/19 parents/carers asked for more maths support/workshops (36%)
- 3/19 parents/carers wanted workshops on maths learning (16%)
- 8/19 parents/carers wanted workshops on writing & handwriting (42%)
- 1/19 parents/carers wanted support with EAL and learning.

As a school we have listened to the parents/carers and from this feedback we have arranged a maths support workshop for parents/carers on Wednesday 28<sup>th</sup> January 2015.

We will also include additional information and areas to develop for pupils with English as an additional language.

We will also incorporate a section into the Early Reading workshop about supporting writing and handwriting development.

We hope that as parents/carers you find this information helpful.
